Executive Summary

I enjoy both design and development. Being an IT engineer with skill in both these domains, I keep the balance between form and function and pay special attention to technical aspects as well as UI/UX and typography of every project.

Education

- **Bachelor's Degree in Information Technology**
Guru Nanak Dev Engineering College, Punjab, India 2014–2018
- **Higher Secondary Examination**
Shri Harkrishan Sahib Public Sen. Sec. School, Punjab, India 2014
- **Matriculation**
Shri Guru Hargobind Sahib Public Sen. Sec. School, Punjab, India 2012

Experience

- **Linux Administration**
I have written shell scripts to perform system admin tasks like creating and deleting accounts of the user. I set up firewall, install, remove, update packages and manages file system permissions for user and groups.
- **Website configuration and maintenance**
Website set on server, configured zone file and SSL certificate. Now, regularly maintaining the websites.

Projects
